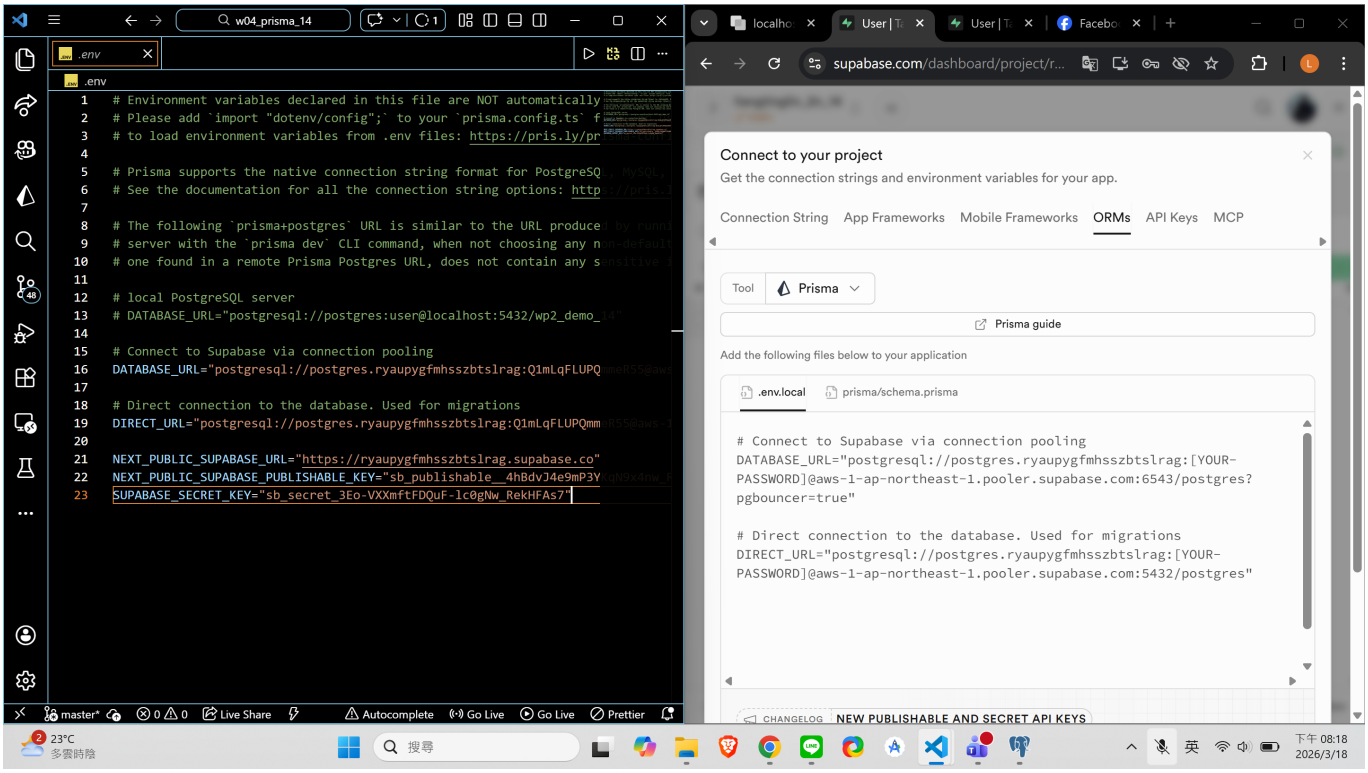
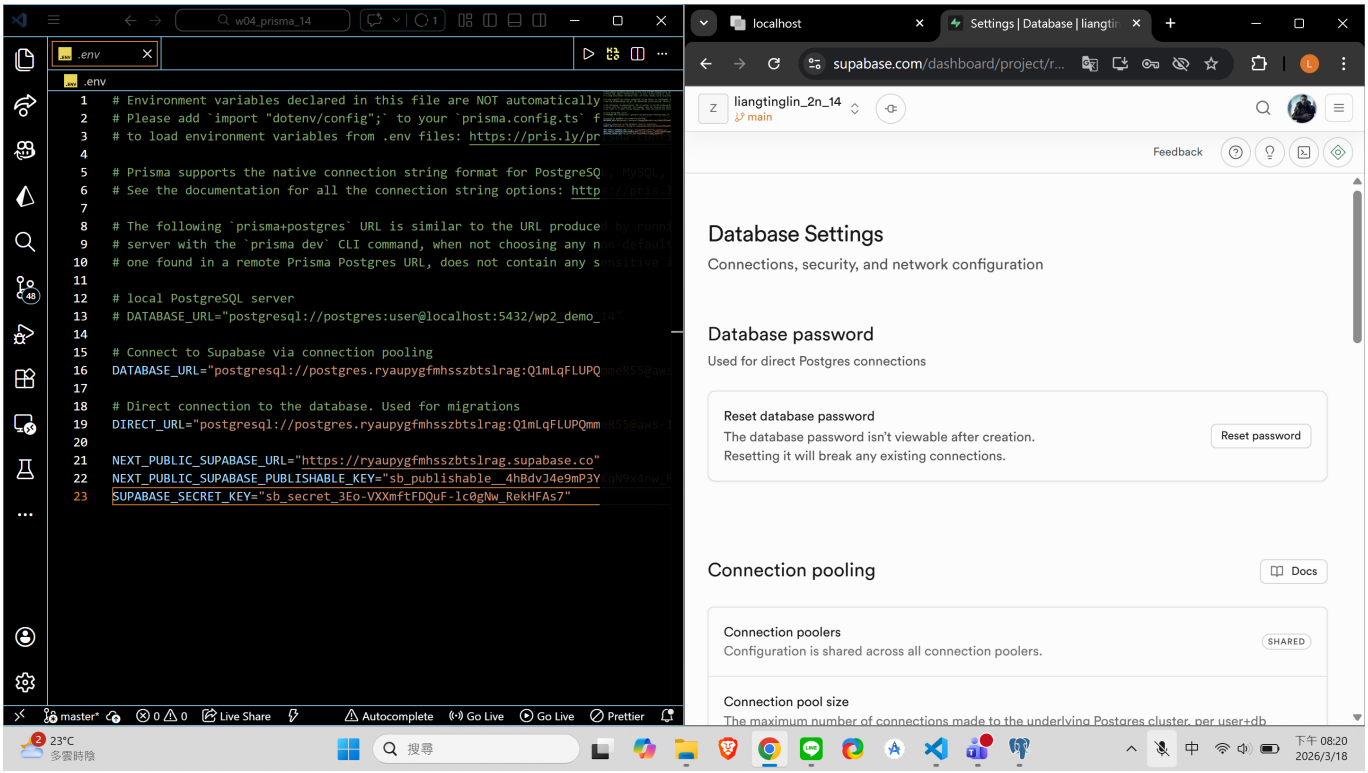
```
53270c0 zero2005x       Wed Mar 18 20:38:19 2026 +0800  W04-P1: Create tables and
data using Prisma with Studio
```

w04-P2: W04-P2: Repeat W04-P1, but work on Supabase

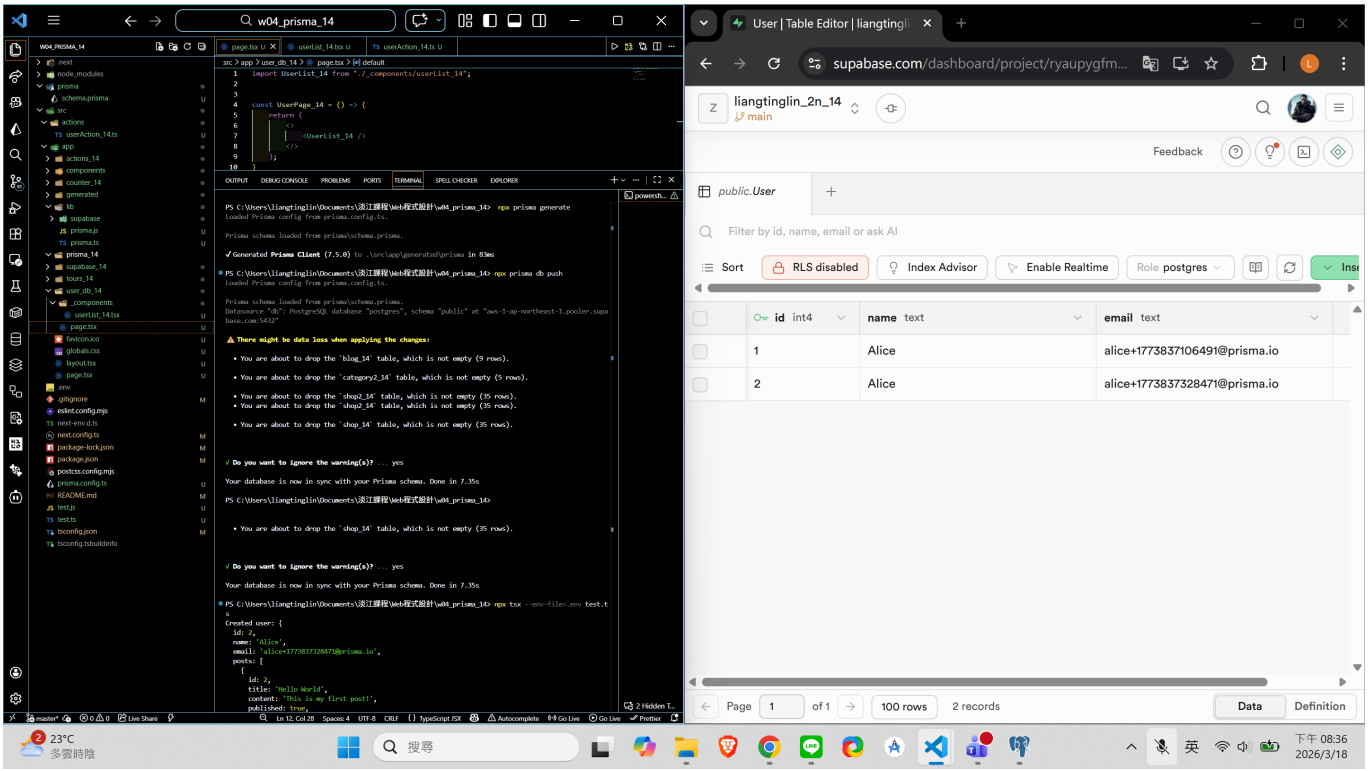
=> connection setting in Supabase



=> reset database password in Supabase

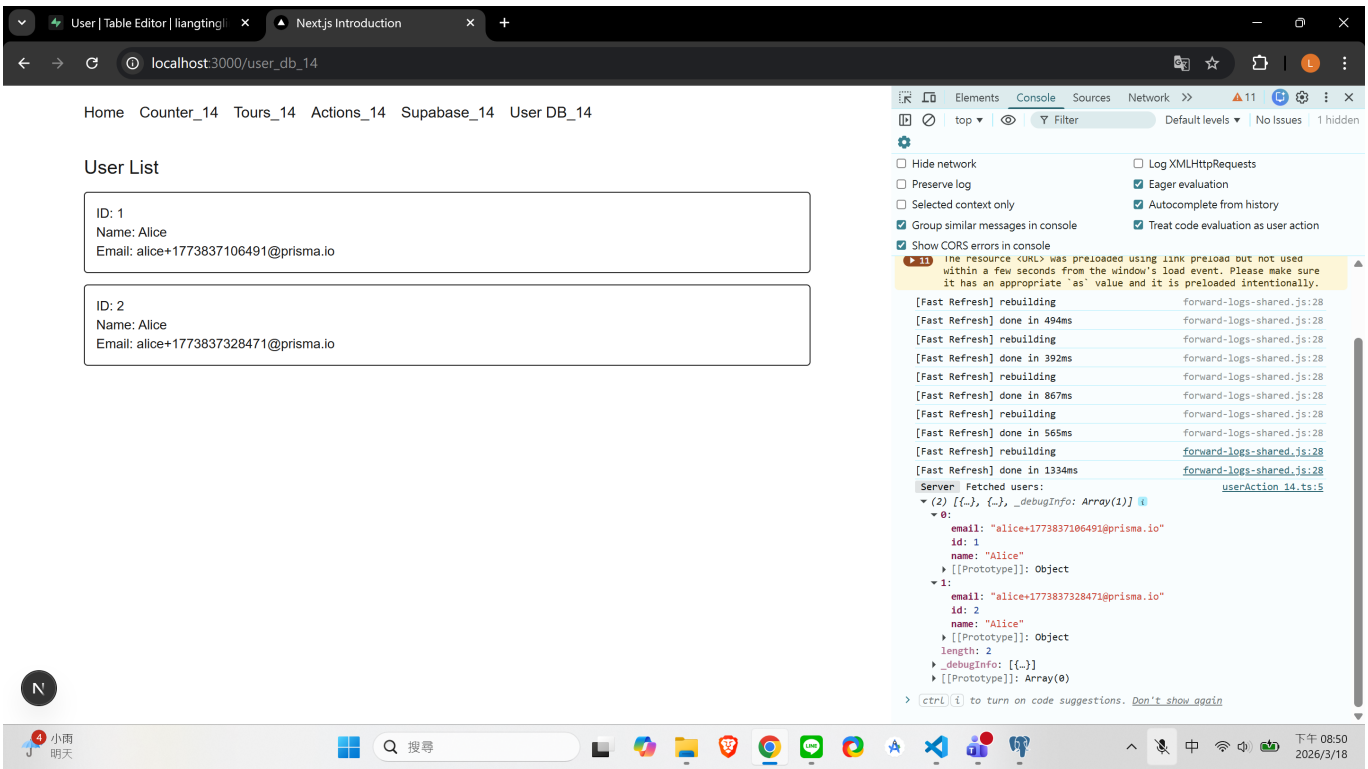


=> npx prisma db push & run test.ts to add 1 user with 1 post

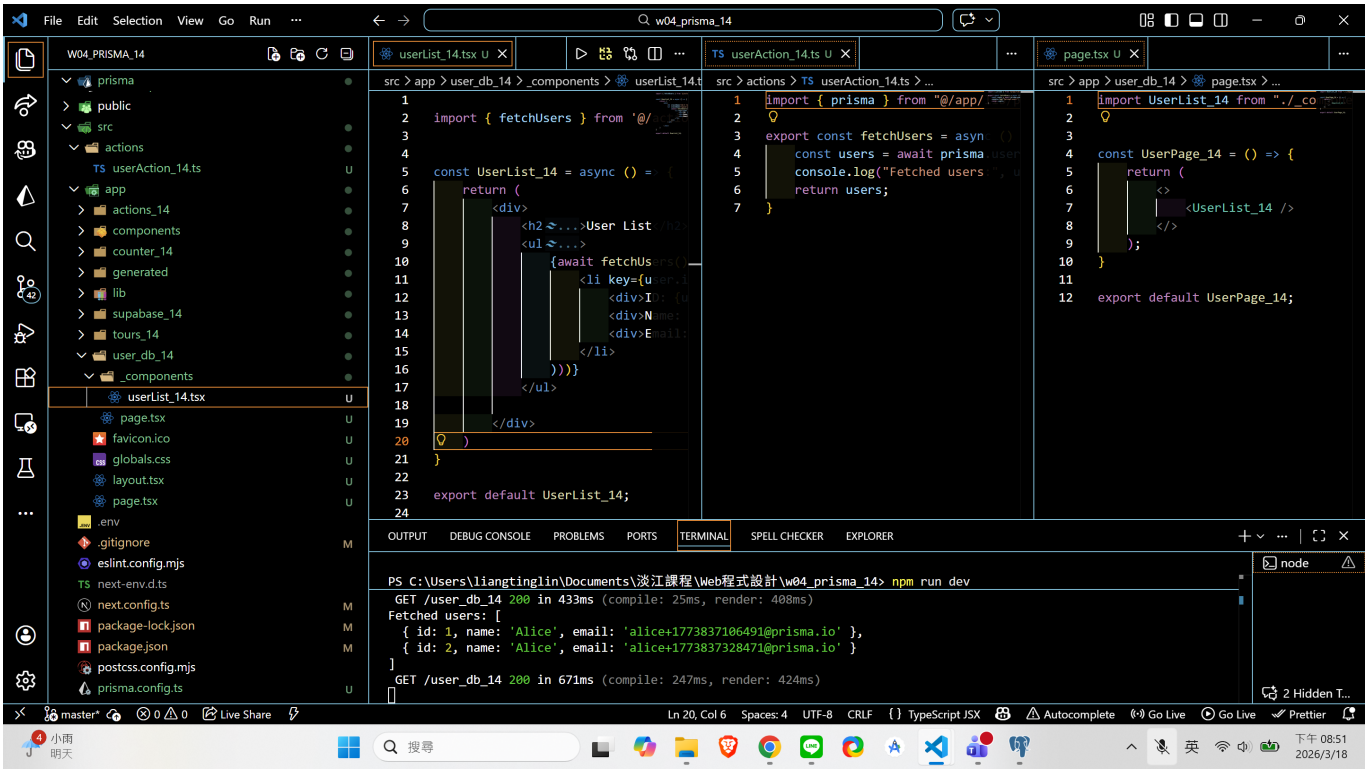


W04-P3: implement User_db_xx using server action

=> Chrome, show 2 users fetch from Supabase



=> show the code, the concept of server action



```
